

Quote Enquiry

Introduction

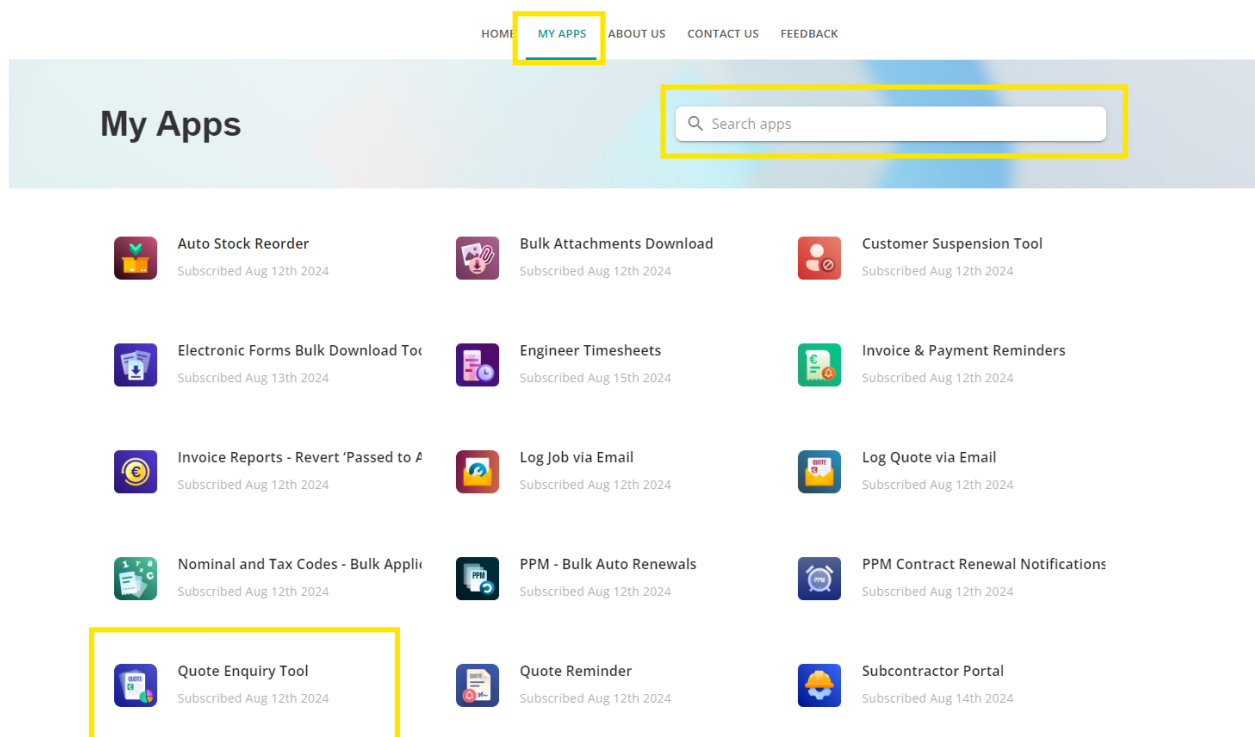

This Quote Enquiry app is a brilliant tool which will allow you to add an enquiry form to your website. This means your customers will have an easy, manageable way to request a quote, straight from your own website!

This guide will show you how to get this code.

Accessing the App

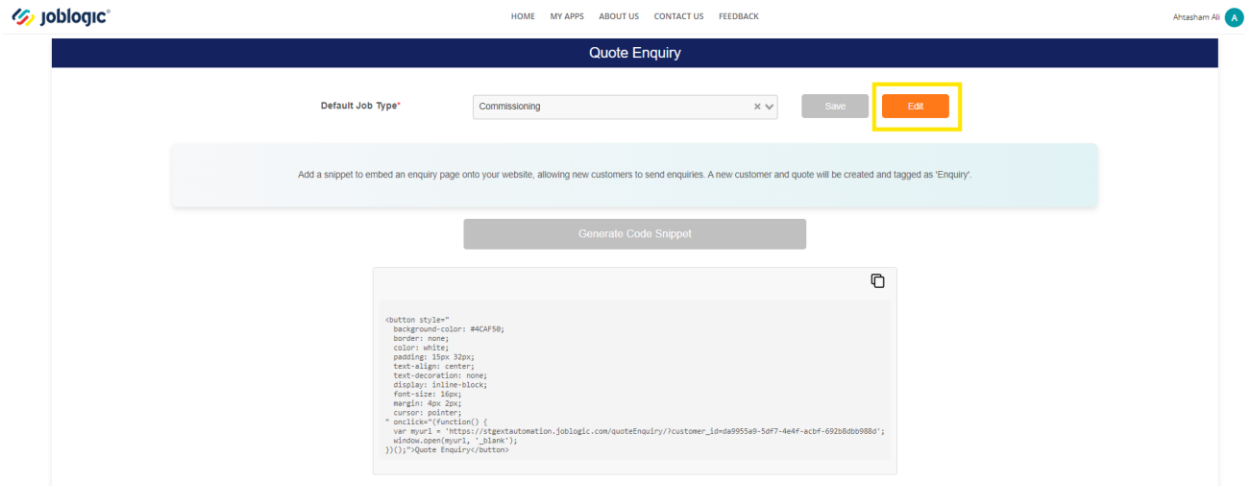

Click My Apps

Either Search for 'Quote Enquiry', or simply click the button.

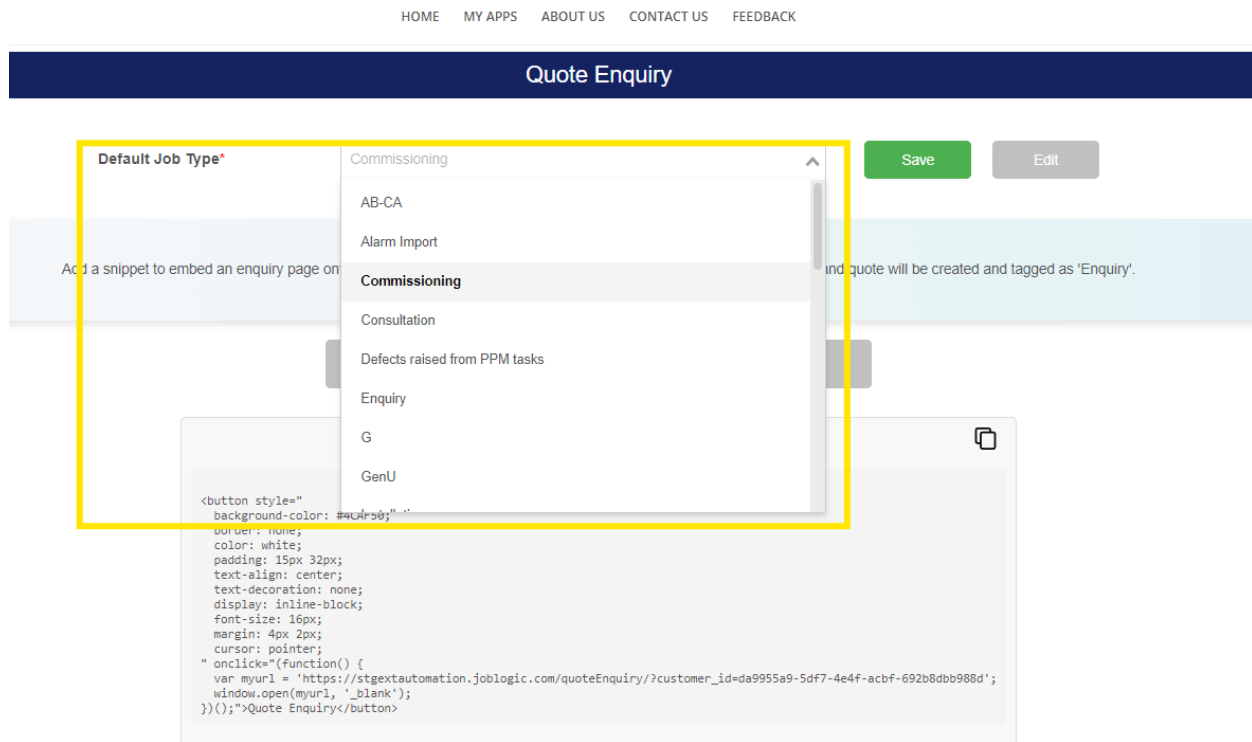

Setting up your Code Snippet

Select Edit

Choose a Job Type from the list. This will be a list of your Library.

Click Save

Add a snippet to embed an enquiry page on

and quote will be created and tagged as 'Enquiry'.

```
<button style="
background-color: #4CAF50;
border: none;
color: white;
padding: 15px 32px;
text-align: center;
text-decoration: none;
display: inline-block;
font-size: 16px;
margin: 4px 2px;
cursor: pointer;
" onclick="(function() {
var myurl = 'https://stgtextautomation.joblogic.com/quoteEnquiry/?customer_id=da9955a9-5df7-4e4f-acbf-692b8dbb988d';
window.open(myurl, '_blank');
})();">Quote Enquiry</button>
```

Click the Copy icon.

This will copy the code snippet to your computer's clipboard (allowing you to paste it to the appropriate area of your website's background structure)

Edit

Add a snippet to embed an enquiry page onto your website, allowing new customers to send enquiries. A new customer and quote will be created and tagged as 'Enquiry'.

Generate Code Snippet

```
<button style="
background-color: #4CAF50;
border: none;
color: white;
padding: 15px 32px;
text-align: center;
text-decoration: none;
display: inline-block;
font-size: 16px;
margin: 4px 2px;
cursor: pointer;
" onclick="(function() {
var myurl = 'https://stgtextautomation.joblogic.com/quoteEnquiry/?customer_id=da9955a9-5df7-4e4f-acbf-692b8dbb988d';
window.open(myurl, '_blank');
})();">Quote Enquiry</button>
```

Navigate away from the app and paste the code snippet to the appropriate area of your website's background structure to embed an enquiry page into your website allowing your customers to send enquiries.

For each successful enquiry, a new customer and quote will be created.
